

# LISSSHY

TECH CREATOR & INFLUENCER

Liessshy (Aliesha) is a creator from Melbourne, Australia who focusses on educating and entertaining content across the tech industry. She produces high quality, informative content in the form of tutorials, reviews and unboxings.

Her passion comes from her love of educating people about things she loves, and strives to be a leading Australian female in the tech space.

Partnered with JBL and Elgato, Liessshy has also worked and continued to work with many brands such as Samsung, Google, Asus, Acer, PlayStation & Nintendo - just to name a few.
